

Decision Time

To go ALL IN means that I commit to:

- **Be fully committed to following Christ**
- **Be active in fulfilling the mission of The Crossing**
 - I will **come**, **grow**, and **go** (serve my community).
 - I will **bring** others, **grow** others, and **send** others.
- **Live by the Code of The Crossing**
 - I will have a '**me too**' mentality
 - I will be '**for**' my community
 - I will '**contribute**' with no strings attached
 - I will share my story because I have an '**exponential**' faith
 - I will practice '**radical generosity**' through giving financially
 - I will live in '**purposeful community**'

In essence, to go ALL IN is to embrace the beliefs, values, and leadership guidance of The Crossing Church.
